

Furtherance Life Services

Transitional Housing Program for Youth Aging Out of Foster Care

Our Mission:

To empower young adults exiting foster care to achieve stability, independence, and purpose through housing, guidance, and opportunity.

A Safe Place to Grow, Thrive, and Transition

Furtherance Life Services provides stable housing and life skills support for young adults ages 18–22 who are transitioning out of the foster care system. Our goal is to help youth build the foundation for independent and successful living.

Program Offers:

- Safe and affordable housing
- Life skills training (budgeting, cooking, communication, time management)
- Employment readiness & job placement support
- Educational support (GED, college enrollment, vocational training)
- Personal development & mentoring
- Case management and goal planning
- Community engagement opportunities

Eligibility:

- Ages 18–22
- Former foster care youth or at risk of homelessness
- Willingness to participate in program activities and case management
