

RESOLUTION __-2025

RESOLUTION APPROVING ATTACHMENT TO THE MASTER AGREEMENT BETWEEN THE CITY OF MT. JULIET, TENNESSEE AND WATER MANAGEMENT SERVICES, LLC FOR THE GOLDEN BEAR GATEWAY REGIONAL PUMP STATION AND AUTHORIZING THE MAYOR TO SIGN THE AGREEMENT

Executive Summary

- The project: The design to construct a regional pumping station and force main to convey flows from the Benders Ferry Road area to the Stoners Creek Interceptor to alleviate sewer capacity concerns in the area.
- Contracts: The City has a master agreement in place with WMS. This agreement is to add to that agreement with services related to the survey, design, construction, and administration of the project.
- Funding: This work is paid for with budgeted sewer department funds. The not-to-exceed amount of the attachment to the master agreement do not exceed the current funding.
- Official act: This resolution is to provide formal support of the attachment to the master agreement and to authorize the Mayor to sign the attachment.
