

## **Executive Summary**

### **RESOLUTION APPROVING ATTACHMENT TO THE MASTER AGREEMENT BETWEEN THE CITY OF MT. JULIET, TENNESSEE AND WATER MANAGEMENT SERVICES, LLC FOR THE SEWER SYSTEM GIS MAPPING PROJECT AND AUTHORIZING THE MAYOR TO SIGN THE AGREEMENTS**

#### **Executive Summary**

- The project: The City, as part of an overall asset management program for the wastewater utility, will commence a system-wide sewer manhole mapping project to create an up-to-date GIS sewer system map.
- Contract: The City has a master agreement in place with WMS. This agreement is to add to that agreement with services related to the survey, design, construction, and administration of wastewater related projects.
- Funding: This work is paid for with previously budgeted sewer department funds. The not-to-exceed amount of the attachments to the master agreement do not exceed the current funding.
- Official act: This resolution is to provide formal support of the agreement and to authorize the Mayor to sign the agreement.
