

MEMORANDUM

Date: September 19, 2024

To: Luke Winchester, Chairman
and Planning Commission

From: Matthew White, PE
Director of Public Works

Re: Appointment of one Planning Commissioner to
Roadway Safety Action Plan Steering Committee

OVERVIEW: The City was awarded a federal grant through the USDOT's Safe Streets For All (SS4A) program. The grant will be used to develop a roadway safety action plan for the City of Mt. Juliet. One of the grant requirements is that the City establish a steering committee to help give input throughout the development of the plan.

RECOMMENDATION: Staff recommends that the Planning Commission appoint one member to serve on the steering committee.
