

# *MT. JULIET POLICE DEPARTMENT*

## **EXECUTIVE SUMMARY**

### **Police Department Vehicle Real-Time Location Tracking Vendor Contract Approval**

- 1) Who: Mt. Juliet Police Department
- 2) What: Approve Contract for Department's Real-Time Location Tracking Vendor
- 3) When: Immediately
- 4) Where: MJPDP
- 5) Why: The department has been using Whelen Cloud real-time GPS location tracking of police vehicles for three years through a fee-free promotion to build out the entire fleet. The 4<sup>th</sup> year fee was expected and budgeted within the current budget.
- 6) Costs: There is no change in the budget as this was a budgeted project.
- 7) Line Item: 42100-255 Data Processing has previously budgeted funds to support this effort.

Staff Recommendation: Chief Michael Mullins and City Manager Kenny Martin have provided a positive recommendation

Prepared by: Dep. Chief Tyler Chandler
