To whom it may concern:

The zoning for the above mentioned property, located at 12192 Lebanon Rd, known as Map 053, Parcel 098.00, in the City of Mt. Juliet, in the county of Wilson and in the State of Tennessee is currently zoned as CG – Commercial General.

CG, Commercial-General Districts. This district is designed to provide for a wide range of commercial uses concerned with retail trade and consumer services; amusement and entertainment establishments; automotive and vehicular service establishments; transient sleeping accommodations; drive-in stores; eating and drinking places, financial institutions; and offices. The uses in this district service a broad market spectrum and, therefore, ease of automotive access is a requirement. However, it is not intended that this district permit uses which generate large volumes of truck traffic. Community facilities and utilities necessary to serve these districts, or necessary for the general community welfare are also permitted. Appropriate open space between commercial and residential areas is required. This classification is intended to recognize an existing undesirable development pattern but not repeat or significantly expand the pattern beyond those areas where such is already established.

In accordance with the City of Mt. Juliet's Zoning Ordinance, Land Development Code, Article VI., the requested use for a Restaurant, full-service, is classified and approved under the use of Restaurant, full-service, which is a permitted use classification in CG, Commercial General Zoning.
