Emily Taylor, My neighbor forwarded your email about some neighbors wanting speed calming devices in our neighborhood. I have been living on Saddle Creek Drive for twenty years and I've seen the very large speed bumps (in near-by neighborhoods) and I hope we can avoid those for our neighborhood. I don't know what the process is or if there are alternatives to them. Are there any other alternatives? What is the process for deciding? Sorry to be so much trouble, but I'm currently undergoing cancer treatments and I would appreciate very much if we could communicate by email or phone about this.

Emily, I look forward to hearing from you,

Vivian Duran, 1104 Saddle Creek Drive, Mount Juliet ph. 615-477-3251
