Approval to Surplus and Competitively Sell a 2013 Pierce Ladder/Tower

- 1) Who:** Mt. Juliet Fire Department
 - 2) What:** Approval is needed to surplus and sell a 2013 Pierce Ladder/Tower
 - 3) When:** Advertising will begin in early May and the Tower will be available for delivery in late June.
 - 4) Where:** Apparatus currently in reserve status here in Mt. Juliet.
 - 5) Why:** A replacement has been ordered and will be delivered in early June for the 2013 Pierce Velocity Ladder/Tower. Due to the escalating costs of fire apparatus, the 2013 Pierce is worth a substantial amount on the used fire apparatus market. We will offer the Pierce for sale utilizing a third party apparatus vendor utilizing a market value asking price to ensure that maximum value is attained for the apparatus.
 - 6) Costs:** Upon appraisal the valuation of the apparatus is estimated to be between \$575,000.00 and \$650,000.00.
 - 7) Timeline:** The anticipated time to sale the apparatus is between one and four months.
- Staff Recommendation:** Fire Administration recommends to surplus and sell the apparatus through a third party apparatus dealer to ensure that the maximum value is attained.
- Prepared by:** Chief Mark Foulks
