SERIAL NUMBER: W04X2SD017083

Description: This unit has not run in a couple of years. The problems it has is unknown. Hours are also unknown for this unit.

Generac XP6500E Generator

Year Unknown - Serial Number: 872563712194- Hours Unknown - Does Not Run

**Police Department:**

1. Eight (8) black metal filing cabinets with four (4) drawers. They are used and most are indecent shape. A few of them have City Property tags if needed and we have no clue when they were purchased.

2. Two (2) metal filing cabinets with two (2) drawers (one black and one tan). In decent shape and have no clue when they were purchased

3. One conference table size 7.5' long by 3' wide. Has some wear and tear but overall a very solid table, we have no clue when they were purchased

4. One small coffee table oval size 2' x 4' gray, no clue when it was purchased.

The department has 3 surplus, stripped vehicles with high mileage and continued maintenance costs that must be auctioned. All proceeds from the auctioned vehicles are requested to be placed back into the police department's vehicle purchasing line item to purchase any needed replacement vehicle.
